Rolling Shutters

Motorised and manual rolling shutters engineered in Mumbai — galvanised steel, aluminium, perforated, grille and transparent polycarbonate curtains for shopfronts, warehouses and industry.

THE RANGE

GI Rolling Shutters

18/20/22-gauge galvanised steel slats with pressed guides and heavy-duty springs — the workhorse for warehouses, factories and market shopfronts.

Aluminium Rolling Shutters

Corrosion-free extruded aluminium slats, single or double wall, powder-coated in RAL shades for premium storefronts and coastal sites.

Transparent PC Shutters

Full-length transparent polycarbonate shutter — 100% Indian-make, virtually unbreakable, lets your display sell even after closing hours.

Perforated & Grille Shutters

Ventilated punched-slat and rod-grille curtains that combine security with visibility and airflow for malls and parking.

Motorisation & Safety

Tubular and side motors with manual override, remote/RFID/mobile control, photocells and bottom safety edges.

APPLICATIONS

Shopfronts & showrooms	Warehouses & factories	Malls & parking	Pharma & food units
